General

- Play will be in accordance with the Rules of Golf as laid down by the Royal & Ancient Golf Club of St Andrews. Please see the scorecard or notice for local rules.
- Please arrive at your designated tee at least 10 minutes before your designated start time. Penalty for breach of Rule 6-3a:
If the player arrives at his starting point, ready to play, within five minutes after his starting time, the penalty for failure to start on time is two strokes, which will be added to the players overall score for the round. Otherwise, the penalty for breach of this Rule is disqualification.
- Play without 'undue delay' as Rule 6-7 will be enforced if necessary. Rounds should take no longer than 4 hours 30 minutes and players are requested not to putt out if they cannot score.
- If at any time you play a ball which you think may end up lost or out of bounds, for speed of play purposes play a provisional ball – Rule 27.
- Immediately after completing your round, thoroughly check, sign and return your card to the championship official. Penalty for breach of Rule 6-6b disqualification.

- Any discontinuance of play will be governed by Rule 6-8 and notified by a continuous blast from a claxon. In the event of play being unable to resume, the results will be decided based on the least number of holes completed by any player participating in the tournament – a minimum of six holes must be completed for the tournament to be valid. Winners will be determined by calculating their gross score then subtracting the appropriate percentage of their handicap at the point of suspension (i.e. if nine holes are completed, half of the players handicap will be subtracted from their gross score after that point). Any player recording a no score on a hole will be awarded a net double bogey on that hole for the purpose of calculating winners.
- The use of distance measuring devices is approved in all Qualifying Events and the Grand Finals of The Turkish Airlines World Golf Cup. For all play in the aforementioned competition, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 14-3.
